

8,816 Executives \$225/M

The International Corporate Executives Health and Fitness Center provides an Internet Directory Web site. This site give to corporate executives an information access service for health, fitness, diet, exercise based products as well as nutritional supplements, spa and destination fitness information including vacation, travel, golf resorts and spas. This web site is designed and marketed to corporate executives and is one of the key directories enabling them to quickly locate access to health and fitness information sites and products on the Internet.

Its new "Corporate Executives Health Extra" News Bulletin provides a real time fitness information newswire to financial executives worldwide. These executives register at the Internet site and hold high level decision making executive jobs in their companies.

These busy key decision making business financial executives have substantial incomes and enjoy a high standard to living. They are frequent travelers for both business and pleasure and they are health image conscious. They use or have access to personal computers and the Internet. They read and speak English.

For more information on Execuhealth and its online newsletter, please visit their website <http://www.infinance.com/ execuhealth.html>.
